

# FEDCAFÉ

the website where schools, students  
and feds connect

**FedCafe.net**

*285 schools of public policy, administration and affairs*

the **Fed Café** is an exciting new online community where students, faculty, schools, and federal agency staff **connect and engage.**

**SCHOOLS**

connect with federal agencies to create Capstone projects

**FACULTY**

offer your research and analysis; find or post a case study; search for data sets and research opportunities

**STUDENTS**

search for articles and research topics; identify “micro-tasking” and research opportunities

connect with agencies to:

- ♦ publicize research and data analyses, and completed student Capstone reports
- ♦ find possible Capstone projects
- ♦ find “micro-tasks” to build students’ skills and network
- ♦ search for research, data, and research opportunities
- ♦ Engage in a policy-focused bulletin board

## join the Fed Café!

it’s a “**dating site**” for **research and collaboration: submit what you have to offer, and what you’re searching for — and look for a match!**

presented by **NASPAA**

*the global standard in public service education*
